

Atlas Group®

The Atlas Group plan from Tokio Marine HCC – MIS Group, a member of Tokio Marine HCC, is with you and your group of 5 or more almost anywhere you may travel in the world. Atlas Group coverage is designed for mission trips, large family vacations, student groups, corporate groups, and overseas excursions for other large organizations.

Why Choose Atlas Group®?

Whatever the reason, traveling internationally with a large group should be a pleasant experience. Complications and emergencies such as illness, injury, and natural disasters are a fact of life, and can be even tougher to manage for a large group of people. While we hope none of these incidents happen... we're here to help if they do.

That's why Atlas Group provides coverage for unexpected medical expenses as well as emergency travel benefits and multilingual travel assistance services.

My family has medical insurance in our home country; do we need group travel medical insurance?

Often, the primary medical insurance in your home country will not cover you and your family while traveling internationally, and medical expenses can be very costly while abroad. Atlas Group plans offer budget-friendly coverage—plans start at less than \$1 a day!

Additionally, Atlas Group includes important travel assistance services such as translation assistance while being treated, doctor and hospital referrals, and assistance replacing lost prescriptions.

After purchasing coverage, how can I trust the company to be there if I need them?

International Coverage

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? Tokio Marine HCC- MIS Group is experienced in arranging emergency medical evacuations. Atlas Group will cover eligible expenses necessary to transport you from an initial treating facility to the nearest hospital qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Group will also cover the transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas Group will arrange for and cover eligible costs associated with the repatriation of your remains.

Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the

wrong place at the wrong time, and the country or region you're visiting is NOT under a level 3 or level 4 travel advisory, Atlas Group offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 ("reconsider travel") or level 4 ("do not travel") advisory in the 6 months prior to your arrival date.

Political Evacuation

If, during the coverage period and after your arrival, the U.S. Department of State issues a level 3 or level 4 travel advisory for your destination country, Atlas Group will coordinate your alternate departure arrangements from that country and cover eligible associated costs.

Natural Disaster Benefit – Replacement Accommodations

Natural disasters can happen anywhere and at any time. If a natural disaster occurs while on your trip, causing you to become displaced from your planned and paid accommodations, Atlas Group will provide relief of a maxi-mum of \$250 a day for 5 days to help cover the costs of alternative accommodations.

Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, Atlas Group will provide \$100 for each night you spend in the hospital.
